Small Group & Bible Study / Waiting Room Reading / Bookstore Discovery

A SIMPLE STARTING BUNDLE

4 quarter + 2 half + 1 full page

7 author slots

3 catalog pages

Optional, repeatable while space remains, at current per-placement rates. Custom-order rules still apply.

01 Create your publisher account

Create your sign-in, verify your email and add your publishing company. Your company keeps its author relationships and sets its own resale prices.

02 Choose an open edition and request your space

Review the audience, dates, prices and terms. Add a bundle or custom mix. Quarter pages come in packs of four; the edition sets its total minimum. Submit your order request.

03 Confirm payment, then assign books

Published confirms payment and availability before allocating author slots. Add each book with its ISBN, cover, description and exact purchase link. Review imported details and prices.

04 Save, submit and approve the proof

Save incomplete work as a draft. Submit finished materials to the design team. Review the actual proof, test its QR link and request any corrections before approving it for print. Saving a draft does not submit it.

05 Meet deadlines and follow the mailing

Fill placements by the content deadline and approve proofs on time. Follow production and mailing updates in your workspace. The confirmed edition provides circulation and dates; research counts do not establish reach.

KEEP THESE ORDER POLICIES IN MIND

Refunds: Request within 24 hours of purchase.
Purchases are nonrefundable after that window.
No rollover: Unused placements do not carry forward.

One publisher ad: Use one purchased slot per company, per catalog edition, selected before the deadline.
Remaining unfilled placements are forfeited.

Payment: No card payment is collected on the site. An order request stays unpaid until Published confirms payment and availability. Only confirmed, allocated placements are ready to fulfill.
